CALL FOR NOMINATIONS FOR CAREER ACHIEVEMENTS IN MEDICAL EDUCATION

DESCRIPTION:

The Career Achievements in Medical Education Award provides recognition to an outstanding clinician-educator whose lifetime contributions have profoundly advanced, and had widespread impact on the art and science of medicine and medical education. The awards will be recognized at SGIM's 33rd Annual Meeting, April 28 – May 1, 2010 in Minneapolis, MN. The award is supported by contributions from Dartmouth College and Merck U.S. Human Health.

PAST RECIPIENTS:

Kelly Skeff, 1996

William Branch, 1997

Gordon Noel, 1998

Jack Ende, 1999

Allan Gorroll, 2000

Lee Randol Barker, 2001

Robert C. Smith, 2002

David E. Kern, 2003

James Wolliscroft, 2004

Dennis W. Cope, 2005

Stephen J. McPhee, 2006

Mark D. Aronson, 2007

Eric Holmboe, 2008

David Michael Elnicki, 2009

CRITERIA:

- The nominee must be a member of SGIM.
- This award is intended to be for an individual whose career is well advanced and who has been involved in medical education for many years.
- The individual will have made major contributions to, or in support of the field of medical education.

SUBMISSION REQUIREMENTS:

- One or two page letter of recommendation from a colleague of the nominee, describing the nominee's major contribution to the field of medical education.
- Curriculum Vitae.
- Further supportive information may be requested by the award committee.

Deadline: Nominations are due January 12, 2010

Deadline extended to February 1, 2010

* Log onto the SGIM members only site to nominate a colleague for this prestigious award at:
